Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting community project funding for the Local For All – Las Vegas Project in fiscal year 2024. The entity to receive funding for this project is The Cupcake Girls located at 3110 S Valley View Blvd #201, Las Vegas, NV 89102.

Local For All is a sound economic development initiative. Funding this request means strengthening three core areas for Nevada's 4th District: the marketplace, the workforce, and the community. A community center and resource center at 110 E Charleston Blvd will attract new and more individuals to the Las Vegas Arts District. These individuals are likely to become patrons of the restaurants and shops located nearby. This means that Local For All - as a small marketplace itself - will contribute to the greater marketplace of the 4th District. Local For All will also help to bolster the workforce by way of providing jobs; and more importantly through job training. Our organization's main initiative is to come alongside our clients to empower them to take back control of their lives by providing advocacy and resources. Oftentimes, a byproduct of said empowerment and control is re-entry to the workforce. Lastly, Local For All will impact the community by providing an energizing, creative, inclusive, yet safe and supportive space for Las Vegas' most vulnerable populations.

The project has a Federal nexus because the funding provided is for purposes authorized under the Community Development Block Grant (CDBG) program: 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Steven Horsford".
